About The Conference

The International Conference is going to be jointly organised by Desert Research Association (DRA), H.Q. Jodhpur, Nehru Study Centre, Jai Narain Vyas University, Jodhpur, Government Girls College, Jhalamand (Jodhpur), Department of Geography, Dr Bhim Rao Ambedkar Government College, Sri Ganganagar and collaboration with Kalinga University, Raipur (Chhattisgarh).

The International conference is designed to give academicians, researchers and young enthusiasts a forum to explore the current topic and challenges in a wide range of research. Researchers, academicians, and young students from various streams of universities/institutions and colleges are welcome to come together and share their experiences as well as debate on the burning issues during the event.

Organisers

The Desert Research Association is an organization of academicians, researchers, institute members, indigenous social workers and professionals. This association is registered under NITI Aayog and the Ministry of Corporate Affairs, Government of India. Desert Research Association was established in 2021 to promote the development of research and education. It is a non-profit organization dedicated to promoting and excelling in research and education. Earlier the Association had organised two National Conference and various social programmes for social empowerment.

Nehru Research & Study Centre, Jain Narain Vyas University, Jodhpur was established in 2005. The Centre will build linkages with diverse regional, national, and international organizations, including academic institutions, women's groups and voluntary organizations in development and extension programs. The centre will seek to develop research, curriculum, and pedagogies in social justice and social service so that an enlightened citizenry can be created that is inspired by the work and vision of Nehru ji and will carry forward her mission and vision.

Government Girls College, Jhalamand saw the light of dawn in 2023 The college started its journey with the vision of "structuring literate, knowledgeable and self-reliant women capable of upliftment of their families, societies and ultimately the nation" and has since committed itself to providing education at an affordable cost to the girls at Under-graduate level.

Department of Geography, Dr. Bhim Rao Ambedkar Government College, Sri Ganganagar is one of the oldest Department in the state, which was established in 1969. Earlier the department had organised five National Conference and one International Conference under various associations and Govt. departments. The department had 32 Ph.D. students and 10 pursuing Ph.D. students, apart from more than 100 M.Phil. students. Nine projects have been completed in the department funded by UGC and ICSSR.

Kalinga University, Raipur (Chhattisgarh) is Established in 2013. Kalinga University is accredited by NAAC with B+ grade. this university has been able to win the confidence of over 8000 students. Meritorious students from all over the country and various foreign countries namely Afghanistan, Bangladesh, Nepal, Nigeria, South Korea and Uganda have chosen this University for their education and career.
